MOTION

On August 8, 2019, Elevated Faith LLC (“Petitioner”) filed a Cancellation against the mark Registration No. 5187052 of GODISGHL, LLC (“Registrant”). On September 23, Registrant filed an Answer to the Cancellation. The Parties have held several discussions around Petitioner’s claims in the Cancellation and have made reasonable and consistent attempts to settle the matter. Specifically, on January 9-10 the Parties exchanged several emails and documents in good conduct and in good faith with a settlement of the dispute in sight.

On January 18, 2020, Petitioner was notified by email of new representation by the allegedly representing counsel Mr. John Sommer, writing from Sommer@Stussy.com. Mr. Sommer has asked to hold the Discovery Conference scheduled for January 20, 2020, directly with this counsel for Petitioner. However, as of the time of this filing Mr. Sommer has not made an appearance in the record as attorney for Registrant under TMBP § 114.03. Further, this counsel for Petitioner has not been advised by attorney of record Mr. Lloyd Mann of any substitution. Counsel for Petitioner, seeking to avoid improper communications with a counsel

not otherwise known to be representing Petitioner, requests an extension of the discovery dates by 30 days in order to sort out proper representation and correspondence persons.

This January 19, 2020.

Respectfully submitted,
Rockridge Venture Law
